Authorized signature and seal

In order to support and improve the product quality displayed at the International Fair of Technics and Technical Achievements, as well as affirmation of the Exhibitors extremely successful in it, Belgrade Fair awards prizes to the manufacturers of the best exhibits.

At the International Fair of Technics and Technical Achievements (hereinafter referred to as TECHNICAL Fair), the following awards are awarded for the exhibits being an innovative advancement in technique:

**- Grand Prix “A Step into the Future”**

Shall be awarded to the Exhibitors or Co-Exhibitors at the TECHNICAL Fair for the best exhibit.

**- Special Recognition “A Step into the Future”**

Shall be awarded to the Exhibitors or Co-Exhibitors at the TECHNICAL Fair for the exhibit that contributes to the technical improvement

The awards and recognitions shall be awarded based upon the competition.

**The competition is free of charge and open for all officially registered / applied Exhibitors or Co-Exhibitors at the**

**TECHNICAL Fair** being the manufacturers of the candidate exhibit.

**The exhibits applied for the competition may be products, technical innovations or solutions (technological processes, program solutions, product components or innovations).**

**The awarding criteria are as follows:**

- That the exhibits have been displayed for the first time at the TECHNICAL Fair and/or are a significant advancement compared with the previous presentation at the TECHNICAL Fair;
- That the exhibits are considered especially innovative as regarding the technical and economic realization and may considerably contribute to satisfying the industrial and/or social needs;
- That the exhibits have passed necessary tests and/or have already been used (the exhibits having the certificates of the authorities accredited to issue such certificates and/or test reports of the accredited laboratories);
- That the manufacturer of the applied exhibit has been regularly registered/applied as an Exhibitor or Co-Exhibitor at the Fair;

**A member of the Jury may not be an employee of the Exhibitor** having applied with a competition product or any person participating in its manufacturing in any way.

**The Jury shall operate independently** and take decisions by the vote majority of the total number of its members. **The Jury decision shall be final and the competition participants shall not be entitled to any complaint.**

The Jury shall operate based upon the submitted awarding applications and shall be entitled to suggest the Exhibitors who have not applied for the relevant exhibits to do so in due course.

The awarding is carried out at the festivity organized by Belgrade Fair for this purpose.
